**THANK YOU!**

## Nursery

Christmas has finally arrived and having had an array of little helpers we have decorated the classroom and turned a bare tree into a festive centre piece. We are building up a collection of snowmen all created and decorated by our children and we have been developing our creative side in our rehearsals for the Nativity story next week.

Following on from our exploration of stone soup last week each child has contributed to a daily soup cook up. Several children have tried their creations and everyone has enjoyed preparing the vegetables for our soup.
