SNAPSHOT OF THE WEEK

Nursery - Wonderful whales

Have you ever wondered how big a whales tail is? This week we have drawn and measured one. Have you ever considered seeing the world from a different perspective? Well this week we have looked at life through the eyes of a snail and seen how one snail saw so much of the World from the tail of a whale. We have found that lots of objects in Nursery have a 'h' sound in them and that there are lots of frogs, still hopping around our classroom, from our speckled frog song, from last week. We have also considered how important whales are to us.

Year 3 - In the Hot Seat!

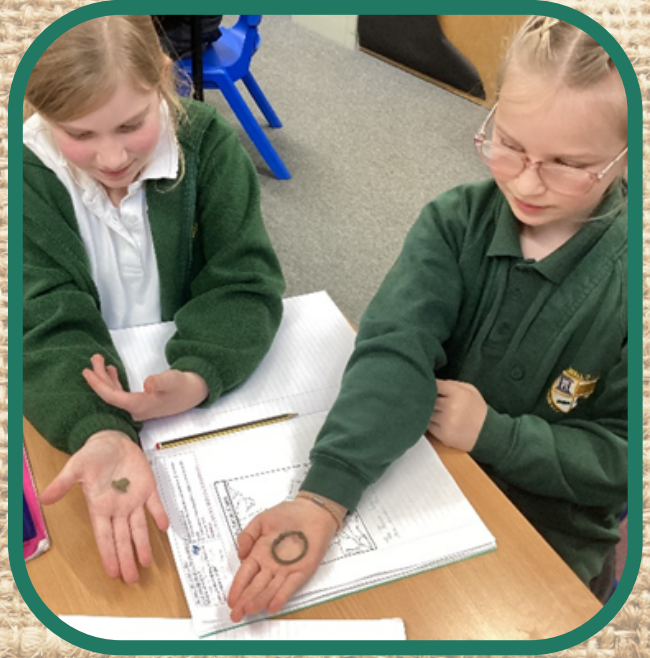

Year 3 have been having a wonderful time learning their story 'The Door'! We have hotseated the character of Billy to find out his motive and to learn more about the type of person he is. Of course, we had to take some hot seat snaps for you to see!

SNAP SHOT OF THE WEEK

Year 5

In Year 5 this week, we have been inspired by the fine artist Kittie Jones and her fluid capture of the countryside. We looked into Japanese Sumi-e, ink drawings, and let our paint brushes capture the essence and movement of the hills. In History, we had a chance to hold some Ancient Roman artefacts – coins and broaches which could have belonged to a Roman legionnaire!
