Year 2 -

Marvelous Mathematicians

In Math for the past two weeks, Year 2 have been looking at times tables. We have been reviewing our 2-, 3-, 5- and 10-times tables and working hard to remember them all! We have been learning some songs to help with remembering and playing lots of games in teams to help with our speed! We have had lots of fun on our learning journey and the children are asking to learn the 4- times table! Super Math, Year 2!

YOUNG VOICES

What a night! Last week, Mr Bradford, Miss Chambers, Mrs Luce and Mrs Ryan were lucky enough to be able to take 50 Colwall children to Young Voices in Birmingham. And what a night it was! The children sang and danced their hearts out and we are so incredibly proud of them for how well they represented our school. We are so fortunate to have such incredibly musical teachers at Colwall who are prepared to give up their time to commit to events as huge as this! (A special mention too to Mr Campbell-Baldwin – our incredible parent helper!)

Hedgehog Highways

Come and Collect your Hedgehog Highway from the Colwall Library Community Hub on Saturday 10th Feb between 9:30am and Noon.

What is a Hedgehog Highway?

A Hedgehog Highway is a 5-inch gap in a fence or wall allowing access for Hedgehogs. Other names include 'Hedgehog Door', 'Hedgehog Hole' and 'Hedgehog Tunnel'. These gaps are essential in the battle to prevent the extinction of our endangered spiky friends.

The Hedgehog Highway allows hedgehogs to:

- * Forage for food
- * Meet mates to breed
- * Access nesting sites

Helping Conservation One Hedgehog At A Time

If you would like to encourage Hedgehogs into your garden and help protect this endangered species, Colwall Parish Council has a limited number of Hedgehog Highways surrounds for you to install in your gardens on a first come first served basis.
