

Caring for Toddlers Policy

Colwall CofE Primary School and Nursery

Our Christian Values as a key aspect in our Policies: **"Let your light shine"**

... in relationships, as we trust ... in learning, as we encourage ourselves and others.

our curiosity.

... in the community, as we develop the courage to light the lives of others.

Sparkling Curiosity, Unleashing Potential

At Colwall CofE Primary School & Nursery we care for children from the age of two and ensure their health, safety and well-being through the following:

- We ensure that younger children have opportunities to have contact with older children whilst at nursery
- Care is taken to ensure that toddlers do not have access to activities containing small pieces, which may be swallowed or otherwise injure the child
- The environment and equipment are checked daily before the children access the area.
- Toddlers have their nappies changed according to their individual needs and requirements by a familiar carer wherever possible
- Information will be shared between parents and the nursery about nappy changing and toilet training in a way that suits the child
- Potties are washed and disinfected after every use. Changing mats are wiped with anti-bacterial cleanser before and after every nappy change
- No child is ever left unattended during nappy changing time
- Sleeping children are supervised and checked every ten minutes, this may increase to five minutes. Checks are documented with the time and staff initials on the sleep check format at all times.
