Sparkling Curiosity, Unleashing Potential

Outline

At Colwall CofE Primary School & Nursery we believe that high-quality care and early learning is promoted by providing children with safe, clean, stimulating, age and stage appropriate resources, toys and equipment.

To ensure this occurs within the nursery, including in our outdoor areas, we will:

- Provide play equipment and resources which are safe and, where applicable, conform to the

European Standards for Playground Equipment: EN 1176 and EN 1177, BS EN safety standards or Toys (Safety) Regulation (1995)

- Provide a sufficient quantity of equipment and resources for the number of children registered in the nursery
- Provide resources to meet children's individual needs and interests
- Provide resources which promote all areas of children's learning and development
- Select books, equipment and resources which promote positive images of people of all races, cultures, ages, gender and abilities, are non-discriminatory and do not stereotype
- Provide play equipment and resources which promote continuity and progression, provide sufficient challenges and meet the needs and interests of all children
- Store and display resources and equipment where all children can independently choose and select them
- Check all resources and equipment before first use, to identify any potential risks and again regularly at the beginning of every session as well as when they are put away at the end of every session. We repair and clean or replace any unsafe, worn out, dirty or damaged equipment whenever required
